ABOUT INDIAN INSTITUTE OF FOOD SCIENCE & TECHNOLOGY, AURANGABAD.

We are looking at a strategic achiever inside you who is full of innovative ideas and untapped vast potential. Take your competence and confidence to the higher level of achievement. Meet the achiever inside you, Welcome to IIFST".

The college education is a milestone towards an inspiring and rewarding career. A highly qualified and dedicated team of faculty members with a strong sense of commitment to social causes, passion for teaching students with optimism ensures that students not only learn to make a world of material things but more importantly they learn to make world of difference which is driven by knowledge and values. Our excellent placement record confirms this, as companies pick our students repeatedly with great satisfaction. Our world class infrastructure, industry specific curriculum & collaboration and international exchange programs fuel the competitive professional environment at Campus. We are confident that our inputs will help you tremendously as you navigate through the cold, deep and rough water of future. Hence, self-confidence developed sharpened critical thinking skills, love for learning and desire to make the world a better place.

Degree courses offered by IIFST

- B.Sc. (Food science & Quality Control)
- B.Sc. (Clinical Laboratory science)
- B. Design (Fashion Design)
- Bachelor Of Computer Application
- M.Sc. (Clinical Nutrition & Dietetics)
- M.Sc. (Microbiology)
- Diploma in Interior Design

Other Courses Run By Trust

- Auxiliary Nursing & Midwifery
- General Nursing & Midwifery
- B.Sc. Bio-Technology
- B.Sc. Bio-Informatics
- M.Sc. Bio-Technology
- M.Sc. Bio-Informatics
- B.Sc. Computer Science
- M.Sc. Computer Science
- Master Of Journalism & Mass Media Communication

Note : For getting E-Certificate Registration is Mandatory.

1st Day Event 14th Oct 2020 Time : 11AM

Topic : Diet & Nutrition
Alumini Speakers

Dr. Shilpa Ramdin
Diet Consultant, Pune
Topic - Importance of Food & Need for Prevention

Ms. Sumedha Kulkarni
Dietitian, Aurangabad
Topic - Roll of Nutrition in Stress Related Neurological Problems

Ms. Afsha Shaikh
Dietitian Aurangabad
Topic - Low cost Nutritious foods

Dr. Usha Jadhav
Dietitian Nanded
Topic - Roll of Nutrition in Metabolic Diseases

Dr. Nausheen Shaikh
Govt. Of Maharashtra
Topic - Nutrition For School Going Childrens

Ms. Madhuri Makode
Dietitian Mumbai.
Topic - Adolescent Anemia In India

Note : For getting E-Certificate Registration is Mandatory.

2nd Day Event 15th Oct 2020 Time : 11AM

Topic : Glow , Nourish, Sustain, Together
Speakers

Professor B. K. Sakhale
HOD, B.Tech (chem) UDCT Aurangabad
Topic - Glow Nourish, Sustain, Together

Mr. Khagendra Pralhad Bhamambe
PH.D. In Environment Engineering
Department of Environmental Engineering, Research Center for Environmental Quality Management, Kyoto University, Japan.
Topic- Impact of pandemic on food supply, safety and management

3rd Day Event 16th Oct 2020 Time: 2PM

Topic : Technological Perspective
Speakers

Dr.A.Surendra Babu
Ph.D. (Food Science)
Topic : Technological Perspective of Fat Restricted Foods

Mr. Lalit Mesheri
Industrialist, Mumbai
Topic: Importance of dehydrated food in sustainable development

Note : For getting E-Certificate Registration is Mandatory.

DEPARTMENT OF HOME SCIENCE

Department of Home Science was established in the year 2006 offering graduate courses in Food Science and Quality Control and post graduate courses in clinical nutrition and dietetics. The department has strong back-up of 15 faculty members, specialized in core areas of Home Science and Food Technology. Among 4 faculty members are PhD holders and 2 are pursuing Ph.D. The major objective of the department is to implement education, research and outreach programs which are premeditated to provide a safe, nutritious and affordable food supply that enhances human health. The faculty members in Home Science come from diverse backgrounds and cover a wide range of specialties. We have experts in the areas of food chemistry, food microbiology and food safety, food processing, food engineering, food analysis, clinical nutrition and dietetics, biochemical and molecular nutrition and community nutrition.

ABOUT CONFERENCE

Welcome all members and supporters from worldwide to attend the "1st virtual two days International Conference on recent challenges in Food Science, Food Technology and Health (December 09 & 10, 2020) the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Food Science and Technology and Health. The theme "Exploring the interrelationship of food and nutrition in human health". This Food Science & Technology and health conference aims to bring together leading academic Scientists, Professors, Business delegates, talented student communities and researchers to commerce and share their experiences and research conclusion about all things of nutrition, Food Science, Food Technology and Health.

CONFERENCE SUBTHEMES:

- Food Science
- Food Technology
- Food Chemistry
- Food Biotechnology
- Food Microbiology and Toxicology
